

## **Make a Difference.**

### **Right Where You Are. Today.**

*What can I do to help?* This is one of the most common questions people ask us. We need your talent, resources, and ability to help spread awareness about the Nodding Syndrome crisis and raise funds to help fight to find a cure. Use these idea starters to change the world today!

#### **> HOST A DOCUMENTARY NIGHT**

Commit to hosting 25-30 individuals in your home, workplace, local café, or other community location to show one of our documentaries. Collect an entry fee as a donation to Hope for Humans. Invite your friends over for appetizers, desserts, or cocktails and a cause.

#### **> RACE FOR US**

Whether you run, swim, or bike, set a goal and challenge your friends and family to give a donation in honor of your dedication to your next race or competition. Gather your friends and make it a team event!

#### **> GIVE UP YOUR BIRTHDAY**

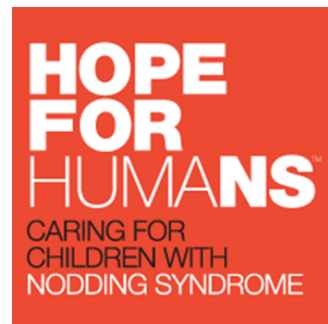

Ask your friends and family to give a donation in lieu of birthday presents to help children afflicted with Nodding Syndrome. Tell your family how you are using your birthday to fight for the afflicted. Ask for donations via e-mail, post to social networks, talk to colleagues, and spread the word on campus, in church, and throughout your neighborhood.

#### **> HOLD A COMMUNITY GARAGE SALE**

Ask your friends and family to give garage sale worthy items to your cause. Host a garage sale and give all the proceeds to help children afflicted with Nodding Syndrome through Hope for Humans.

What other creative idea do you have to help us raise funds? We'd love to hear!
